AFFORDABLE CARE ACT (ACA) ANNUAL NOTICES

Women's Health and Cancer Rights Act Notice (WHCRA)

As required by the Women's Health and Cancer Rights Act (WHCRA) of 1998, this plan provides coverage for: 1. All stages of reconstruction of the breast on which the mastectomy has been performed; 2. Surgery and reconstruction of the other breast to produce a symmetrical appearance; and 3. Prostheses and physical complications of mastectomy, including lymph edemas, in a manner determined in consultation with the attending physician and the patient.

Such coverage may be subject to annual deductibles and coinsurance provisions as may be deemed appropriate and are consistent with those established for other benefits under the plan or coverage.

Newborns and Mothers Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

<u>Premium Assistance under Medicaid and the Children's Health Insurance</u> <u>Program (CHIP)</u>

If you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from your employer, your State may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children are not eligible for Medicaid or CHIP, you will not be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP, you can contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, you can ask the

State if it has a program that might help you pay the premiums for an employersponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you are not already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, you can contact the Department of Labor at www.askebsa.dol.gov or by calling toll-free 1-866-444-EBSA (3272).

NOTICE TO ENROLLEES IN A SELF-FUNDED NONFEDERAL GOVERNMENTAL GROUP HEALTH PLAN

MENTAL HEALTH PARITY OPT OUT

Group health plans sponsored by State and local governmental employers must generally comply with Federal law requirements in title XXVII of the Public Health Service Act. However, these plans are permitted to elect to exempt a plan from the requirements listed below for any part of the plan that is "self-funded" by the employer, rather than provided through a health insurance policy. Jefferson County Commission has elected to exempt Jefferson County Commission Group Health Plan from the following requirements:

Protections against having benefits for mental health and substance use disorders be subject to more restrictions than apply to medical and surgical benefits covered by the plan.

The exemption from these Federal requirements will be in effect for the 2017 plan year beginning October 1, 2016 and ending September 30, 2017. The election may be renewed for subsequent plan years.
